## GENERAL NEWS.

Mr. Seward, under date of September 3, 1865, wrote to Mr. Adams: "Sir,—I have to inform you by direction of the President, that he will neither make promises nor grant either passports or permits for return to rebels now abroad. Applications for pardons will be considered only when the persons making them are residing in the United States, and in any case there must be an unreserved, not a conditional, appeal to the mercy and the magnanimity of the Government."

The six free baths established by the city authorities of Boston are patronized by about ten thousand persons daily—men, women and children. They are all well arranged, and have from thirteen to thirty-five dressing-rooms. The water flows continually through openings at the sides, making it always clean and cool.

The Mobile Tribune announces that the Bank of Mobile, and the Southern Bank commenced redeeming their circulation at par in the United States Treasury notes on the first of June. Few, if any, of the State banks in the South, that went through the war, are able to make so good a showing.

An extensive swindle has been perpetrated on some of the Canadian banks, through a bogus bank, started in St. Lawrence county, N. Y. Numerous drafts were issued to the amount of \$200,000. Some of the principals in the swindle have been arrested at Lockport, New York.

The Washington Chronicle recommends "a few millions" to be spent, at this time, in the South, upon internal improvements. The "few millions" to be appropriated by the general government.

Mr. Sumner, of Massachusetts, has resumed his seat in the Senate of the U. S.

FRANK'S BOMB-SHELL INTO THE NATIONAL FAIR.—George Francis Train delivered an address last evening at the National Fair, which delighted and excited those who were fortunate enough to be present. After waking the audience up on outside matters, and as he would touch on politics, he said he would close by preaching a sermon on the Mount, which he did with terrible effect, and concluding as follows: "The Sermon on the Mount was preached by Abraham Lincoln, that good man who had charity for all, malice for none, and on which he based the reconstruction plan which our good President Johnson is carrying out in spite of the gigantic conspiracy against him. Therefore let us put the question. All those in favor of the Sermon on the Mount, the American flag and the reconstruction policy of Abraham Lincoln, say 'Aye!' [Loud cries of 'Aye!'] Contrary minded, no! [About one third of the audience said 'no!'] Now, said Mr. Train, I have got you. [Laughter.] You have ignored the sermon of the Saviour. You are thrown over all Christian charity, and you are insulting Mr. Lincoln in his grave. An eloquent Christian position, ladies and gentlemen, I bid you good night." [A dead silence but a tremendous thinking going on.—Washington Tribune.]

"The Virginia Immigration Society" has been established under a charter granted by the State Legislature, and from sixty-five to seventy thousand dollars have already been subscribed to the capital stock of the Association. It is a real estate, assessed at about half what its recognized value was before the war. The capital stock of the Society, as authorized by the charter, is three hundred thousand dollars, and it has the further privilege of holding in addition to this, five thousand acres of land, and the land will be retained at points suitable for villages and factories, it is assumed that the total authorized capital of the Society is about half a million of dollars. Already the villages have been laid off, one on the line of the Orange and Alexandria Railroad, and another adjacent to the James River Canal.
